Imprint set-ups are \$4.00 each. Set-ups for imprinting on both the horizontal and vertical or the front and back will be billed as 2 separate set-ups and imprints (exceptions: an \rightarrow and the word "TOP").

Imprinting is \$.05 per duplicate. Set-ups are kept in active memory for one year when you circle "YES" on the Order Form (pg 1).

Renewal fee is \$1.00 per set-up per year. Contact us before the anniversary date of your original order... otherwise the set-up is automatically deleted.

Provide accurate, legible information. If set-up information is not clear, we reserve the right to use our best judgement. Set-up grids (pg. 4) should be duplicated and filled out with the information as it is to appear on your slide mount. Each square on the grid represents one character (see below for hints and tips). We print with black ink only. Remember, consistency makes the best impression.

Horizontal Set-ups are a Maximum of 8 lines and 22 spaces per line.

Specify ALL CAPS or First Letter Caps. See ① ②

Copyright symbol requires two spaces. See ③

"Quotation Marks" require one space on either end of the text. See ④

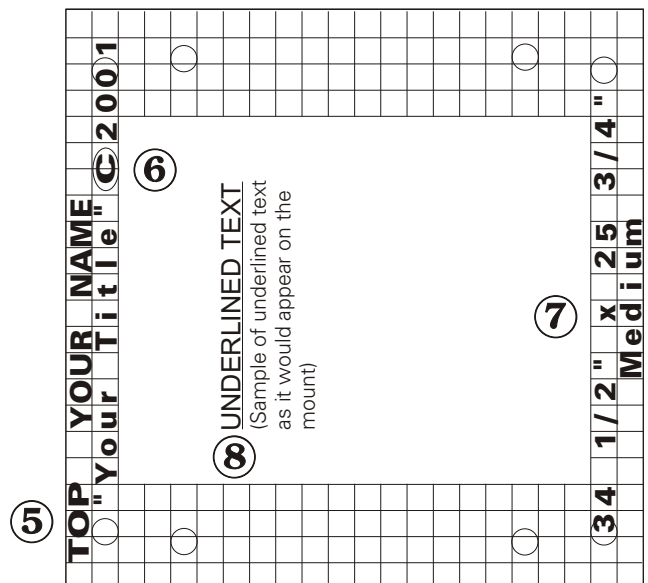

The word "TOP" or an \rightarrow may be used to show the slide's viewing orientation. See ⑤

Vertical Set-ups are a maximum of 4 lines and 22 spaces per line. Please allow for spacing around the pins. See ⑥

Fractions require 3 spaces each (1/4, 1/3, 1/2, etc.). See ⑦

We can underline entire lines only. Parts of lines cannot be underlined. See ⑧

The pins indicate unuseable spaces on the mounts. We suggest you make copies of the grids below to aid in organizing each set-up.
